Shoot Suit

Basic

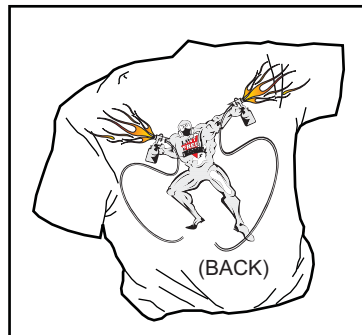

Basic Shoot Suit has the same Quality, comfort and features as the original Shoot Suit. The only difference is we've left off the hood to accommodate full hood fresh air systems. The Basic Shoot Suit is White with Grey back. (Refer to size chart above.)

UTILITY APRON

Our utility apron is made with a durable coated Nylon outer shell and Poly Cotton lining. Excellent for paint mixing, detailing, buffing and paint prep work.

#5100W - White
#5100B - Black

T-SHIRT

The unique Shoot Suit trademarked T-Shirt. Available in Black - white logo or Grey - black logo

Available in L - 4XL

SHOOT BOOT

Nylon shoe cover, helps control dust & foreign particles from entering paint booth on shoes. Shoot Boots are machine washable or may be rinsed out prior to use. Rinsing just before entering booth so that boots are damp can also be helpful for dust control.

Not Just Cool-It's

SUPER COOL

AIR VEST

Provides cooling air flow
Works on any filtered
compressed air source
Fully regulated air
pressure to air vest
Does not limit air pressure
to paint gun or air tool
Low air consumption
Light Weight (approx.
1lb. 4 oz.)
Does not restrict movement
Fire retardant

#6400 - Air Vest Assembly (includes kit #6402)
#6401 - Replacement Air Vest (must be used with kit #6402)
#6402 - Regulator attachment kit

- #4020 - Automotive Tires
- #4030 - Semi Truck Tires
- #4040 - Dual Semi Truck Tires

WHEEL MASKER

Nylon covers don't have wires to catch in exhaust grates or snag on air hose. No wires make the covers machine washable, fast & easy to get on & off. While the covers are cut large enough for passenger cars & most light pickup tires (up to approx.235-15) the elastic will still pull them snug on smaller tires. Mask & Unmask tires in a SNAP.

SHOOT SCOOTS

Deluxe knee pads with soft, flexible knee caps & a lined inner foam pad for comfort. Elastic straps & Velcro fasteners for a custom fit.

#5750

NITRILE GLOVES

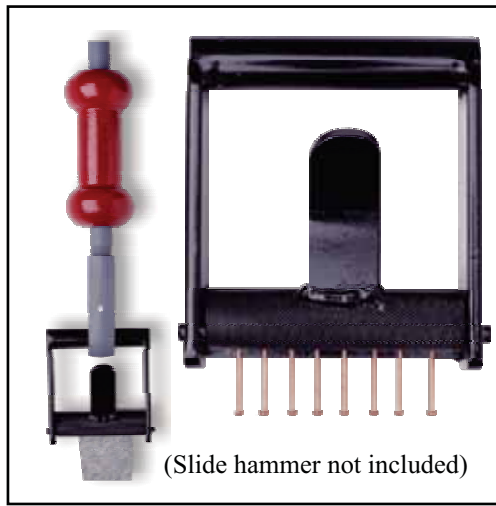

Solvent Resistant Premium quality 15 mil thick nitrile latex. Gloves are lined for easy on & off. Job fitted for painting applications. Our gloves include a complete listing of chemicals resisted. These gloves are *High Quality American Made.*

- #17580 - Medium
- #17590 - Large
- #17510 - X-Large

**SHOOT SUIT
LOCK BACK KNIFE**

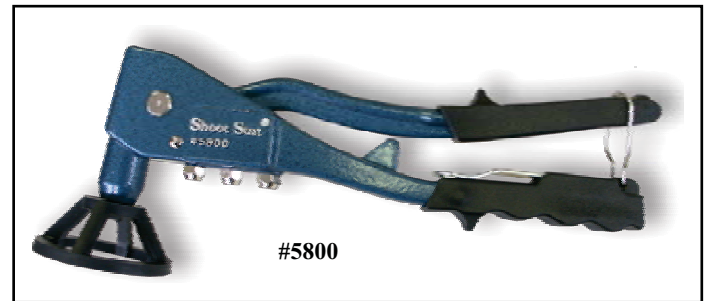

High quality .420 surgical Stainless blade. Thumb-notched Locking blade for 1 handed Operation. Heavy duty steel Pocket clip.

THE COMPANY

Shoot Suit is proud to offer the R & H Brand of the finest quality speed files in existence today, with state of the art components.

Hardened spring steel clips assure lasting performance for the lifetime of these durable tools.

A thicker rubber pad gives a comfortable cushion base for ease and accuracy.

Rugged composite handles feature unsurpassed durability in wet and dry sanding applications.

Look and compare. Quality design, superior materials, longer life, coupled with competitive pricing, equals far superior performance and value.

R & H Products brand provides quality and service that is the mark of excellence in the industry.

All components in this product line are made in the United States.

LOCK BACK KNIFE

HAND PADS
